### 30th FAIRFIELD ART PRIZE 2023 Exhibition Judges:

**General exhibition comments:** Diverse array of works reflects the local art community and the community in general. It's always hard to come to a consensus and there was a lot of haggling among the three judges, but we are all happy with our decisions. We had a great time judging the exhibition.

Dr Bic Tieu, School of Art & Design, UNSW  
 Leslie Rice, BFA (Hons) National Art School, Sydney  
 Nick Strathopoulos : Artist

### Message from the president

The Fairfield City Art Society is a non-profit organisation run entirely by artists, for the promotion, production and expression of Art in the Fairfield area. We exist only because of the voluntary contribution of time and effort of our members.

This Exhibition would not exist also without the generous sponsorship and support of: Club Marconi Board of Directors, Management and Staff for their continued support and assistance. Thanks also to the Fairfield City Council for sponsoring the Youth Prize awards through Mayoral Donations Fund, and to Roger Markwick & Therese Doyle for part-sponsoring the Peter Adrian Markwick Memorial prize. A huge thankyou to Dr Bic Tieu, Leslie Rice and Nick Strathopoulos for judging the exhibition.

Thanks to all my fellow Fairfield City Art Society Committee Members, for their enduring generosity with their time, contributions and friendship during the year

Last but not least, thank you to all the artists who have contributed to this exhibition, and congratulations to all the award recipients. Please remember that without all the artists, with all their inspiration and participation, this exhibition would not be of the high standard that it is. Thank you all.

**Svetlana Panov** - President, Fairfield City Art Society Inc.
